CIVIL ACTION NUMBER: 14CV6403-8

CHILD SUPPORT ORDER ADDENDUM

() The parties have agreed to the terms of this Order and this information has been furnished by both parties to meet the requirements of O.C.G.A. § 19-6-15. The parties agree on the terms of the Order and affirm the accuracy of the information provided, as shown by their signatures at the end of this Addendum.

-or-

(X) This Addendum includes findings of fact and conclusions of law and fact made by the Court, in compliance with O.C.G.A. § 19-6-15.

APPLICATION OF CHILD SUPPORT GUIDELINES. The statutory requirements of O.C.G.A. § 19-6-15 have been applied in reaching the amount of child support provided under the final order in this action. The specifics are as follows:

1. **Gross Income:** The Father's gross monthly income (before taxes) is \$4,077.00; the Mother's monthly income (before taxes) is \$2,006.08.
2. **Number of Children:** The number of children for whom support is being provided in this Order is 2.
3. **Attachments:** The *Child Support Worksheet* and *Schedule E* are attached and made a part of this Addendum, along with other applicable Schedules.
4. **Child Support Amount:** The Mother shall pay to the Father, for the support of the minor children, the sum of four hundred sixty Dollars (\$ 460.00) per month, beginning on July 1, 2015.

5. **Duration of Child Support**

() (a) **Beyond Age 18 for High School:** The child support shall continue monthly thereafter until each child reaches the age of eighteen, dies, marries, or otherwise becomes emancipated; provided that if a child becomes eighteen years old while enrolled or attending secondary school on a full-time basis, then the child support shall continue for the child until the child has graduated from secondary school or reaches twenty years of age, whichever occurs first.

(x) (b) **Stops at Age 18:** The child support shall continue monthly thereafter until each child reaches the age of eighteen, dies, marries, or otherwise becomes emancipated.

() (c) **Until Further Order:** This is not a final order, so the child support shall continue until further order of the Court.

() (d) **Until Specific Date:** The child support shall continue monthly thereafter
_____ until

6. **Deviation from Presumptive Amount of Child Support**

(x) (a) **No Deviation:** It has been determined that none of the Deviations allowed under O.C.G.A. § 19-6-15 applies in this case, as shown by the attached *Schedule E*. The amount of support in Paragraph 4 above is the Presumptive Amount of Child Support shown on the attached *Child Support Worksheet*.

() (b) **Deviation:** It has been determined that one or more of the Deviations allowed under O.C.G.A. § 19-6-15 applies in this case, as shown by the attached *Schedule E*. The Presumptive Amount of Child Support that would have been required under O.C.G.A. § 19-6-15 if the deviations had not been applied is \$_____ per month, as shown on the attached *Child Support Worksheet*. The attached *Schedule E* explains the reasons for the deviation, how the application of the guidelines would be unjust or inappropriate considering the relative ability of each parent to provide support, and how the best interest of the children who are subject to this child support determination is served by deviation from the presumptive amount of child support.

7. **Health, Dental & Vision Insurance for Children**

() (a) **Insurance Available:** The following insurance for the children involved in this action is available at a reasonable cost to the _____ through that parent's employer, private insurance, or the Peach Care program:

- () Health (medical, mental health and hospitalization)
- () Dental
- () Vision

So long as it remains available to that parent, the _____ shall maintain the types of insurance checked above for the benefit of the minor children, until each child reaches the age of eighteen, dies, marries, or otherwise becomes emancipated; except that if a child becomes eighteen years old while enrolled in or attending secondary school on a full-time basis, then the insurance shall be continued for the child until the child has graduated from secondary school or reaches twenty years of age, whichever occurs first.

(1) The parent who maintains the insurance shall provide the other parent with an insurance identification card or such other acceptable proof of insurance coverage and shall cooperate with the other parent in submitting claims under the policy.

(2) All money received by one of the parties for claims processed under the insurance policy shall be paid within five (5) days after the party receives the money, to the other party (if that other party paid the applicable health care service provider) or to the applicable health care provider (if the provider has not been paid by one of the parties).

(x) (b) **Insurance Not Available:** Insurance (other than Medicaid) is not available at this time to either party at a reasonable cost. If health insurance for the children later becomes available to the parent who is required to pay child support for these children, then that parent must obtain the following types of insurance, unless it is the being provided by the other parent:

- Health (medical, mental health and hospitalization)
- Dental
- Vision

When insurance has been obtained by either party, Paragraphs 7 (a) (1) and (2) shall apply.

8. **Uninsured Health Care Expenses:** The Mother shall pay 50 % and the Father shall pay 50 % of all reasonable and

necessary expenses incurred for the children's health care (including medical, dental, mental health, hospital and vision care) that are not covered by insurance.

The party who incurs a health care expense for one of the children shall provide verification of the amount to the other party. That other party shall reimburse the incurring party (or pay the health care provider directly) for the appropriate percentage of the expense, within fifteen (15) days after receiving the verification of a particular health care expense.

9. **Parenting Time Amounts:** The approximate number of days of parenting time per year according to the visitation order is 292 days for the father and 73 days for the Mother.

10. **Social Security Benefits**

(x) (a) **Not Received:** The children do not receive Title II Social Security benefits under the account of the parent ordered to pay child support.

() (b) **Received:** The children receive Title II Social Security benefits under the account of the parent ordered to pay child support. The benefits received by the children shall be counted as child support payments, and shall be applied against the final child support order to be paid by that parent.

(1) If the amount of benefits received is less than the amount of support ordered, the obligor shall pay the amount exceeding the Social Security benefit.

(2) If the amount of benefits received is equal to or more than the amount of child support ordered, the obligor's responsibility is met and no further support shall be paid.

(3) Any Title II benefits received for the children's benefit shall be retained by the custodial parent or third-party custodian for the children's benefit, and it shall not be used as a reason for decreasing the final child support order or reducing arrearages.

11. **Modification:**

(x) (a) **Not Modification Action:** This is an initial determination of child support, not a modification action.

() (b) **Support Amount Not Modified:** This action is a modification action, but the order does not modify the amount of child support that was previously

ordered for these children. The date of the initial support order concerning this child support case was: _____.

() (c) **Support Amount Modified:** The order modifies the amount of child support that was previously ordered for these children. The basis for the modification is:

- () (1) Substantial change in the income and financial status of the Father;
- () (2) Substantial change in the income and financial status of the Mother;
- () (3) Substantial change in the needs of the Children;
- () (4) The non-custodial parent failed to exercise visitation provided under the _____ prior order;
- () (5) The non-custodial parent has exercised more visitation than was provided in the prior order.

The date of the initial support order concerning this child support case was:
_____.

12. **Continuing Garnishment for Child Support:** Whenever, in violation of the terms of the order, there shall have been a failure to make the support payments, so that the amount unpaid is equal to or greater than the amount payable for one month, the payments required to be made may also be collected by the process of continuing garnishment for support.

13. **Income Deduction Order:**

(x) (a) An *Income Deduction Order* shall be entered by the Court, under O.C.G.A.

§ 19-6-32, for payment of the child support and alimony (if any) provided. The *Income Deduction Order* shall take effect:

() (1) immediately upon entry of the Court.

-or-

() (2) upon accrual of a delinquency equal to one month's support. The *Income Deduction Order* may be enforced by serving a "Notice of Delinquency," as provided in O.C.G.A. § 19-6-32 (f).

() (b) The parties agree that an *Income Deduction Order* is not immediately necessary.

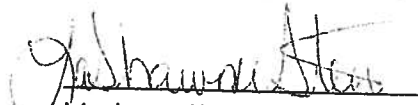

() (c) The Court finds that there is good cause not to require income deduction, having determined that income deduction will not serve the children's best interests and that there has been sufficient proof of timely payment of any previously ordered support.

14. Type of Action:

() **Parties' Consent:** We knowingly and voluntarily agree on the terms of this order. Each of us affirms that the information we have provided in this Addendum is true and correct.

ADJUSTED INCOME**

Discretionary Adjustment to Income for Other Qualified Children Living in Parent's Home

The Court has the discretion to consider an Adjustment to Income for qualified children under this section for the purpose of reducing a parent's gross income, if failure to consider an adjustment would cause substantial hardship to the parent.

If the Court considers an Adjustment to Income under this section, then the Court must also consider whether this Adjustment to Income is in the best interest of the child(ren) in this action.

Adjustment may be considered only for children who meet ALL FIVE of the following requirements:

- A. The parent is legally responsible for the qualified child (Stepchildren do not qualify);
- B. The qualified child lives in the parent's home;
- C. The parent is actually supporting the qualified child;
- D. The qualified child is not subject to a preexisting child support order; and
- E. The qualified child is not currently before the court to set, modify or enforce child support.

Adjustment for other QUALIFIED children, pursuant to five factors listed above, will display below on Lines 11 - 14. Children included in that adjustment appear on Line 10.
